### Flower garden of races, cultures

Celebrating its 173rd year of educational excellence and spiritual development, Most Holy Trinity School will begin fall classes on Monday, August 29, and registration is still continuing.

The extraordinary school, located in Detroit's historic Corktown area just west of the Lodge Freeway, offers kindergarten through eighth grade with a Pre-K Montessori Program. Latchkey is offered both in the morning and after school.

The school's curriculum is well rounded and includes Spanish, computer, art, gym and music classes. After school programs include girls' and boys' basketball and an extended day program.

The school also boasts the best homemade lunches in town and a new playground.

Most Holy Trinity School is a flower garden of races, cultures and backgrounds refreshingly united as one. Together, the pastor, teachers, staff and parents work hard to make a difference in the lives of all of their children.

"It is always a celebration to see all of the children's faces when they return to their school," said Principal Kathleen McBride. "We have not only expanded to the eighth grade for our second year, we are also celebrating achievement in our Iowa Test scores. Most Holy Trinity ranked in the top
